TEJARATGOSTAR E RADNASR 09122494597

This textile group started working in Isfahan in 1999. The production capacity of workshops covered by Rad Nasr Group is over 15,000 square meters per day for the production of cleaning fabrics and 1700 square meters in the production of translucent fabrics. Rad Nasr Nayr Broadcasting is proud to cooperate with the top industrial brands in the country in various fields. The quality of services and also the reasonable price of the products of this collection, confirms this claim. In the last twenty years, this collection has been able to Cooperate inside Iran and keep all its customers. Continuing cooperation with all production groups is the honor of our partners. Also, this group is proud to export its Iranian products to the northern countries of the Islamic Republic of Iran, including S...
