The unique name of Arya

Tek Nam Pandar Arya Company started its activity in February 2015 with 18 years of experience of managers. Following the many requests of poultry farmers, livestock farmers, veterinarians, nutritional engineers (livestock and poultry), animal nutritionists, aquaculturists and veterinary pharmacies, a decision was made to develop the product, which is underway, and we hope that despite the sanctions, we will be able to fulfill our commitment. Be loyal to customers and industry experts.
