

Kalber Dairy

With more than 28 years of experience in the field of dairy production, Calber Dairy offers a wide range of products in its dairy product portfolio in two divisions. The B2B collection includes industrial dry milk powder, whey powder and unsalted butter, and the FMCG basket includes all kinds of cheese, UHT milk, UHT flavored milk, UHT cream, yogurt, buttermilk, and all kinds of juices with a long shelf life. In the Kalbar dairy export department, we have several years of experience in exporting dairy ingredients and products to various markets such as the Middle East, Africa and CIS countries.
