

PRODUCT CATALOG

Daniel Plastic

With more than 26 years of working experience, in addition to producing products such as glass indicator mannequins, finger mobile phone holders, mosquito repellent with pliers, etc., Danial Plastic has effective cooperation with reputable companies such as Lemon, Nasser Plastic, Reza Plastic, etc. It is proud to be the flagship of the plastic sector in the east of the country. With this experience and the trust of our customers, we provide products with the lowest price and quality in packaging.
