

Rebecca started from a mistrust. The era when Corona messed up everything; People were distancing themselves, stress was everywhere and health had become the most important concern in life. In those days, with the suggestion of a friend, we decided to change our eating style and go for healthy and natural food products. A decision that seemed simple, but in practice it was not simple at all. The market was full of claims. Everyone used words like "healthy", "natural" and "homemade"; But when we looked a little deeper, the reality was often something else. It was hard to trust and each time this mistrust deepened. Right from this point, Rebecca was born. Why did we choose the name Rebecca? Rebecca means honesty and truth. The choice of this name was completely conscious; An answer to what w...
