Arta Sanat Co

Arta Sanat Machinery Group has started its activity under the management of Mehdi Zinali in Ardabil city since 2012 by using the young and educated workforce in the best universities of the country in order to design and build all kinds of industrial production lines. For years, relying on round-the-clock efforts and using the knowledge of the world, we have launched various production lines throughout the country and the countries of Turkey, Azerbaijan, Afghanistan, and Iraq.
